

Analyze a Map

Meet the map.

What do you see?

Does the map have a title?

Try to make sense of it.

When was the map drawn?

Observe its parts.

Does the map include? Circle all that apply.

Are symbols or colors used in the legend?
If so, what do they stand for?

Why do you think this map was made?
List two parts of the map that tell you this.

How does it compare to a current map of
the same place?
