Bob/Pat, following our conversation on Friday, we would like to make arrangements for our staff to come back to the DC Penn-Biden Center space to assess the remaining boxes and take custody of whichever ones we deem appropriate for further review.

Jay Bosanko can coordinate with you on the visit, to take place as early as tomorrow. It is fine for you or your colleagues to be present when we do so.

Please also let us know if there could be any similar materials in the PA Penn-Biden offices?

Thanks,  
Gary

Hello Gary and Jay:

Pat will coordinate with Jay the arrangements for your access to the Penn-Biden space. Having this occur tomorrow is no problem.

We are also currently checking to determine whether there are any similar materials in the Pennsylvania Penn-Biden space, and we will report back to you today.

Best,  
Bob

Gary, Jay:

We can have access to the Penn Biden Center at your convenience tomorrow from just after 9 am through 4 pm or so (though we may ask the Center to facilitate access beyond that time if needed — these were just the times initially communicated to me). If Wednesday is preferred, we can facilitate that, too.

Please let me know who may be coming from the Archives, and I will ensure they are on the security list. I can be reached at any time on my cell at (b) (6).

Pat,

I believe that Gary will be reaching out to you and/or Bob. Based on some discussions this evening, we need to change our approach. I believe that tomorrow we will need to take temporary physical custody of all of the textual (or other) record material (likely not artifacts).

More as this develops. Maybe we can arrange a call for the morning?

Accordingly, we are prepared to provide access throughout the day, but I'm not yet there (and likely will not be until 10 am). I also do not have an update on parking, but I will report back on that as soon as possible.

In terms of taking custody to any papers, yes, we are prepared to facilitate whatever access you need to accomplish NARA taking custody of whatever materials it seems appropriate.

Good-morning,

Were you able to arrange parking? Also, do the people onsite know to provide unfettered access and that we will be taking temporary, physical access to the textual papers/records?

Thanks,

Jay

Many thanks Pat. They will head out in about 10 - 15 minutes. They will be driving a US Gov van. You can reach (b) (6) at (b) (6). I suggest that (b) (6) and (b) (6) get the lay of the land and a rough box count first and that we then arrange a call.

Many thanks Pat. They will head out in about 10 - 15 minutes. They will be driving a US Gov van. You can reach (b) (6) at (b) (6). I suggest that (b) (6) and (b) (6) get the lay of the land and a rough box count first and that we then arrange a call.

Pat,

Thanks. I will have the team wait to arrive until 10:30. Please let me know about parking as that will be key. Perhaps we can arrange once you are onsite and get settled, etc.?

We had understood your email of last night to suggest that a call this morning might lay out the next steps. Accordingly, we are prepared to provide access throughout the day, but I'm not yet there (and likely will not be until 10 am). I also do not have an update on parking, but I will report back on that as soon as possible.

In terms of taking custody to any papers, yes, we are prepared to facilitate whatever access you need to accomplish NARA taking custody of whatever materials it seems appropriate.

Thanks and best,

Pat

Good-morning,

Were you able to arrange parking? Also, do the people onsite know to provide unfettered access and that we will be taking temporary, physical access to the textual papers/records?

Thanks,

Jay

We write to follow up on a question you raised below, specifically whether there was a Philadelphia office of the Penn Biden Center and whether any materials may be located at any such office. The answer is that there is not now and never was a Philadelphia office of the Penn Biden Center, and there are not materials there.

Thanks and best,

Bob/Pat, following our conversation on Friday, we would like to make arrangements for our staff to come back to the DC Penn-Biden Center space to assess the remaining boxes and take custody of whichever ones we deem appropriate for further review.

Jay Bosanko can coordinate with you on the visit, to take place as early as tomorrow. It is fine for you or your colleagues to be present when we do so.

Please also let us know if there could be any similar materials in the PA Penn-Biden offices?
