LP-BHO	FOIA	20-Jan-22		Beckman	Matthew	I am writing to request the Presidential Daily Diary for specific dates under the Freedom of Information Act (FOIA). Specifically, I am seeking the basic Daily Diary and corresponding Appendices (but not the various backup files from which the Diary was compiled). My understanding is that these files were created by Ellen McCathran, a NARA civil servant detailed to the EOP. Because my study is about presidents' time-management, I would like all Diaries in my sample (below) – even those whose contents are sparse, mundane, or otherwise appear unimportant. Likewise, I request that any redactions be applied to specific items within a Diary rather than by withholding the Diary altogether. My request for the Barack Obama Presidential Library, then, is the Daily Diary & Appendices for the following dates... (see Google Drive FOIA case folder)	22-16567-F

LP-BHO	FOIA	20-Jan-22		(b) (6)	(b) (6)	footage from a presidential trip in 2015. In May 2015, President Obama visited Florida to highlight the issue of climate change. During his visit, he had a Twitter Q&A from his official POTUS account, (b) (6). Later that week, the White House posted some footage from the Q&A in the West Wing Week series. The reason that I am writing then is to see if it is possible to access the entire recording from the Q&A event, because the footage that the White House posted then showed President Obama replying to one person, though in that case not me. (b) (6). I read that all the video recordings from the Obama White House would become public in 2022. The date was (b) (6).	22-17560-F

Hopper	Jennifer	I am researching the Obama Administration's efforts to protect and shore up the Affordable Care Act during the period between Donald Trump's election to the presidency on November 8th, 2016 until President Obama left office on January 20, 2017. I am particularly looking for any documents related to: 1. Any internal administration actions to protect the ACA as much as possible from an incoming administration that had vowed to repeal the policy – so, for instance, related to trying to promote and boost enrollment in ACA programs, other actions to make the ACA as entrenched as possible and difficult to get rid of within the executive branch. 2. Any content related to White House communications decisions about how to talk about the ACA in the wake of Trump's election, such as any records regarding how President Obama and surrogates should publicly discuss the ACA in wake of Trump's election, what kind of public statements the president and other administration officials should make about the future of the ACA as a policy, etc.	23-00275-F

LP-BHO	FOIA	28-Dec-22		Braveboy	Angella	a photograph taken by the White House Photo Office. The photo was taken on the evening of Wednesday, December 1, 2010 at the White House Christmas Event for volunteers. In that photo my twin sister and I had the honor to meet former First Lady Michelle Obama as she greeted the volunteers. To be specific, my twin sister and I are identical African American twins with bob cut hairstyles and oval rimmed eyeglasses. My sister was wearing a black and white checkerboard jacket with a red, black, and white scarf. I was wearing a dark grey jacket with a purple and magenta blouse and scarf. Hope this request is specific enough to locate the photograph.	23-15153-F
