DUFFY had in his possession a very poor quality Xerox-type copy of what he claims to be a Government document that was obtained via a Freedom of Information Act (FOIA) request from some Government agency. DUFFY claims he does not know from what Government agency this document originated. This copy was furnished to him by the "National Enquirer" to check out in an effort to determine the background on SOUETRE, aka and why such a dangerous man was in Dallas, Texas, on 11/22/63. DUFFY is pursuing the possibility that SOUETRE was an assassin in Dallas, Texas, on 11/22/63, and might have been responsible for the assassination of President KENNEDY.

The copy of the one page document that DUFFY had in his possession was of insufficient quality to legibly Xerox, but upon close visual examination, it was determined that the document contained the following information:

"1 Apr 64

"Jean SOUETRE'S expulsion from US

in Dallas in the afternoon. The French believe  
that he was expelled to either Mexico or Canada.  
In January he received call from a dentist named  
ALDERSON or Alderman living at 5803 Birmingham,  
Houston, Texas. Subject is believed to be  
identical with a Captain who is a deserter from  
the French Army and an activist in the OAS.  
The French are concerned because of DeGaulle's  
planned visit to Mexico. They would like to  
know the reason for his expulsion from the US  
and his destination. Bureau files are negative  
and they are checking in Texas and with IRS.  
They would like a check of files with  
indications of what may be passed to the French.
