[COSME] - pseudonym for Ray on 1 contact only  
201 file - Manuel Ray

Summer 1960.

Ray very actively recruited to become FRD member. CIA considered him an important political asset. Raul Chibas Ray's assistant - spoke for him w/ US authorities. Urged strong org. inside Cuba before outside help would be effective. Chibas meets w/ Bender 7/7/60, says he is in favor of FRD but completely committed to Ray & would check with him.
