24 Feb 65 memo from John McCona to
att'y Gen'l Katzenbach

DDP 5-0728 Exec Registry 65-660/a

In response to 8 Feb 65 letter by
Katzenbach regarding security
controls on CIA correspondence furnished
to the WC

Each item of CIA correspondence was
carefully examined by WC attorneys, and
an agreement was reached w/ CIA
as to what could be entered into public
record & what should be withheld under
rigid security controls. 3 criteria
used to make this determination

- a) evidential value of the info
- b) protection of sensitive sources
& methods of operation
- c) possible int'l ramifications,
since the bulk of the material
was acquired on foreign soil,
particularly in Mexico & USSR

"Our reps were instructed by me
to cooperate fully w/ the Pres's
Comm'n & to withhold nothing from
its scrutiny. These instructions were given
with the utmost latitude to downgrade
the significance of the information
accomplished without jeopardizing
security & the good public relations
I believe you will find that the information
was being furnished should be..."

DCI Materials Vol 2

30 January 1978

Mr. Evans

11111851

On 12 January we received a House Select Committee on Assassinations (HSCA) request for documents under a cover memo from OLC. OLC had assigned action to us on items #23, 30, 31, 34 and 35. In subsequent conversation w/ OLC I suggested that DDO be assigned the action on items 29, 30 and 34. OLC agreed.

Item # 31 (Pat - assassination communication between former DCI Dulles and the CIA) is very broad since it covers all correspondence for the period

1963 ~~January 1969~~ ~~January 1969~~ I briefly reviewed these files and found nothing that appeared to be of interest to the HSCA. They do not contain a file on the Warren Commission.

The files do contain copies of correspondence between AWD and the Agency and therefore I have made a brief summary of the files and attached it at Tab A. I then did a search of ER index for material in Executive Registry files either received from AWD or addressed to him for the same period. Copies of extracts of this material are included in Tab A.

On item # 35 (report for DCI/ Mr. Conrad appearance before the Warren Comm'n) I reviewed all

I reviewed the shelf list on the Dulles files in the ER custody and identified those files that pertain to the 1963 - January 1969 period.

list on the McCone files in ER cabinets
and the recalled individual files
which fell into the 1963-1964 period.
The McCone files do not contain
a file on the Warren Comm'n. I
did not find any material concern-
ing preparation for DCI McCone's
appearance before the Comm'n. I
did find a transcript of a 12 May
1964 telephone conversation between
DCI/McCone & Mr. Rankin, General
Counsel for the Committee on Assassina-
tion asking the DCI to appear before
the Committee the following week. A
copy is attached at Tab-B. Also at
Tab-B are two miscellaneous mem-
oranda which might be of interest.

I am told ... that OSC handled
the Agency contact w/ the Comm'n
so they would probably be the best
bet.

I have also reviewed the Executive
Registry files on the Warren
Comm'n and on the Garrison investi-
gation. They contain nothing on the
preparation of the DCI for his appearance
before the Commission. However, they
are available in ER if you wish to
see them.

re: contact of LHO w/ member of Soviet KGB assets dept

Kostikov participated in project controlled by the FBI under the cryptonym [FBI ~~Turnover~~] involved a German national resident of Oklahoma who was recruited in Europe, & met the year w/ Kostikov in Mex City & shortly thereafter w/ a known 13th Dept office, Oleg BRYKIN in New York. No doubt that both Soviets work for the same KGB component, the 13th Dept.

CIA has top secret Soviet Intelligence does what show that very imp't agents can be met in official installations using as cover for their presence that some sort of open business.

1111860

As sub comment in official installations can be caused by the agents' own carelessness quote by Admiral Bakorenko, in a top secret lecture to a Soviet Military Intelligence course at Military - Diplom the Academy, 1960.

"Some agents, because of carelessness

Paz is afraid of Cobb

Paz tried to talk to RFK when he was
there. She wanted to tell him that
she had met LHO when he was in
Mx City. She said she met him +
2 friends (Cubans) at the home of
Horacio (and Sylvia) Duran.

Mrs Paz says she is absolutely sure
of this - and knows Oswald was at
the Duran apt for a party at which
she was present.

Mrs Paz told [Richard / 1] that she had
come to the U.S Embassy and had told
an American official of this story
about LHO. She said the US Embassy
official said he was an official rep.
of the WC. He also told her she
should be afraid of James Cobb.

I asked [21 HOFF / 1] to get [Richard / 1]
to pursue the story of LHO + to
continue to report on Paz + Cobb

- 2) why he had said at one time that LHO was a poor shot and on another occasion said he was a good marksman
- 3) on Interim org. + extent to which serves a KGB cover, KGB emergency war plans, + extent to which these plans were activated during Cuban missile crisis
- 4) processing of LHO visa (said was done in normal manner + that KGB had copy of visa application. Said Russian Embassy since 1960 have authority to issue visas in 3 to 5 days after application. Said LHO applied orally + late in writing for Sov citizenship. Copy of written request went to KGB. Copy of it was sent to Supreme Soviet after LHO dumped his request. KGB studied reports prepared by Case officer KRZNOF + decided LHO not normal, no of no interest to KGB + not desirable for Soviet citizenship. File sent to Minsk because LHO when he was to work.

5) Marina Oswald - KGB had info on Marina only after she announced her intention to marry LHO. A record check [by KGB] showed she was not in Young Communist League because she did not pay her dues. After married LHO her pay was increased to impress the foreigner she married.

6) Besides Krugroff + Naenko, Dubas + Musker were the Moscow KGB agents who knew of LHO case prior to assass. Dept Chief, Gornikov, + 5 other KGB case officers knew of the case after the assass.

7) Some of the Interimist people LHO dealt with were KGB people.

8) LHO's case was not the same as other Americans in Russia because he was considered not known + was not considered a defector as were Martin + Mitchell.
