Info from AMMOG-1 on AGENTS

The difference between a Cuban and a foreign agent (of the DGI) is as follows.

Recruitment of foreigners consists for the most part, of agreement with the organizations to which they belong. Foreign agents can also be recruited in the schools in Cuba where they are receiving guerrilla training.

Once recruited as possible agents, they are separated from the others and placed in DGI houses, where they receive instruction as agents. . . .

~~1112071~~

Ordinarily an attempt is made to keep them from contact w/ anyone in government circles so as to avoid indiscretions.

1112091

SECRET

Any agent recruited in a foreign country is brought to Cuba and arrangements are made so that he has no contacts w/ persons in Cuba from his own country or any other. Once his training is

SECRET

Completed, his departure from Cuba is not made known to anyone attached to him.

Rest pertains to Cuban nationals as agents.

19 Oct 64 DSI agents - AMMUS-1

2. Q. How does ^{he} (a DSI agent) get to Cuba? What cover story does he use?

A. He may travel by any means, either via Mexico or via Prague. He may travel in true name or alias. I do not know what cover story he uses in his country or on the trip, except that he always appears as a student. He does not leave for Cuba until there is a course for persons from his country and organization in which he can be included.

SECRET

~~11112072~~

An agent recruited directly (not from a guerrilla school) for illegal work may be recruited on the recommendation of the DSE, or the personal recommendation of a DSI officer.

or by any person if he appears to be useful. He may be investigated by the DSE (domestic Cuban security) or by the DSI. He is very well checked before recruitment and no subsequent investigation is considered necessary.

Subj: Gen 1: Debriefing Report #650
AMM06 - 1

Specific: Duties of DSI officers in
the field w/ regard to
Visa Applicants

DSI officers are charged w/
expediting the granting of visas of
agents of the DSI. Such agents
on appearing at the Consulate
use a special phrase to indi-
cate their relationship w/ DSI.
(Source does not know the particu-
lar phrase used in every case.
He does know that agents from
El Salvador in requesting visas
always made mention of the
name "Mauricio.") The DSI

officers at a Consulate interview
visa applicants to find out if
they are agents. If the visa
applicant does not use one of
the indicated phrases, the DSI
officer, instead of granting the
visa immediately tell the
applicant to return in a few
days. The officer then notifies
Habana and requests authority
for the visa.
