4. REPORT OF FINDINGS

(C) (LOCAL AGENCY) On 31 March 1967, a responsible official of the [REDACTED], Land Nordrhein Westphalia (NRW), Duesseldorf (LD4577), German Federal Republic (GFR), furnished the following information, regarding Hans Dieter KAMINSKI, to James C. Gerhart, Land Liaison Officer, NRW:

In May 1966, [REDACTED] entered an office of the [REDACTED], no further information (nfi), to offer his services as an intelligence agent. The subsequent [REDACTED] investigation regarding SUBJECT revealed that in February 1964, HE had immigrated to Canada. In September 1964, HE contacted the Canadian Police and volunteered to work as an intelligence agent, stating that HE had previously worked for the Ministerium fuer Staatssicherheitsdienst (Ministry for State Security - MfS), Soviet Zone of Occupied Germany. The Canadian authorities rejected HIS offer of services. HE then allegedly contacted the Soviet Embassy, Ottawa, Canada, nfi. In February 1965, HE was arrested as a vagrant and placed in a sanitarium, nfi, until September 1965. No further details of SUBJECT'S activities in Canada were disclosed in the course of [REDACTED] investigation. No derogatory information is on file with LfV regarding SUBJECT prior to HIS return to GFR. There was no evidence that SUBJECT had ever engaged in any intelligence activities. The [REDACTED] investigation concluded that SUBJECT should be regarded as being mentally unbalanced, and therefore, unsuitable for any intelligence work.

AGENT'S NOTES: The above information was obtained unofficially from [REDACTED] files and may not be released to SUBJECT or used in proceedings against HIM without first having obtained HIS written permission to obtain this information or having obtained official permission from the German courts to obtain this information. Improper release of this information to HIM could result in HIS instituting legal proceedings against the German Government for redress and cause embarrassment to the US Army.
