To: The File

This memorandum briefly summarizes the status of missing original Federal Bureau of Investigation (FBI) case files or portions of case files in the President John F. Kennedy Assassination Records Collection (JFK Collection) and documents the National Archives and Records Administration's (NARA) efforts to reconstruct these records, where possible, from duplicate copies of documents located in other FBI files.

As the JFK Collection was first compiled and reviewed in the 1990s, the Assassination Records Review Board and the FBI designated some records as "not believed relevant" (NBR) or "not assassination related" (NAR). The FBI retained custody of the NBR/NAR records and postponed their transfer to NARA until a later date. Every document or group of documents ("serials"), however, received an indexed Record Identification Form (RIF) and FBI inventory sheet for insertion into the JFK Collection.

Several years prior to the 2017 re-review and transfer of the NBR/NAR material to the National Archives, the FBI destroyed a few files with NAR designations according to an authorized records disposition schedule in effect at the time.

This compilation represents NARA's efforts to reconstruct the original file or portions of the file, as completely as possible, with duplicate copies of documents located in the FBI field office and headquarters files within the JFK Collection. Each reconstructed file or compilation contains a Record Identification Form, an explanatory cover memo, existing administrative documents available within the JFK Collection, and copies of identified duplicate documents. The table below summarizes the status of FBI file BS 66-4117, Serials 1 through 43.

MEMORANDUM TO ALL EMPLOYEES

RE: INTERVIEWS OF FBI EMPLOYEES

All employees are advised that Congress is conducting an inquiry into activities of the Federal Bureau of Investigation. Congressional staff members are conducting interviews of former and current FBI employees. This Bureau has pledged its cooperation with the Congress.

You are reminded of the FBI Employment Agreement (copy attached) with which you agreed to comply during your employment in the FBI and following termination of such employment.

Also, you are reminded of Title 28, Code of Federal Regulations, Section 16.22 (copy attached), which reads as follows:

"No employee or former employee of the Department of Justice shall, in response to a demand of a court or other authority, produce any material contained in the files of the Department or disclose any information relating to material contained in the files of the Department, or disclose any information or produce any material acquired as part of the performance of his official duties or because of his official status without prior approval of the appropriate Department official or the Attorney General in accordance with Section 16.24."

Also, you are reminded of Department of Justice Order Number 116-56, dated May 15, 1956, (copy attached) which, among other things, requires an employee upon the completion of his testimony to prepare a memorandum outlining his testimony.

Our cooperative efforts, of course, must be consistent with the above cited authority. Therefore, if you are contacted for purpose of interview or testimony you are to request approval as required by the Employment Agreement and await authorization before furnishing information, testimony, or record material.

EMPLOYMENT AGREEMENT

As consideration for employment in the Federal Bureau of Investigation (FBI), United States Department of Justice, and as a condition for continued employment, I hereby declare that I intend to be governed by and I will comply with the following provisions:

(1) That I am hereby advised and I understand that Federal law such as Title 18, United States Code, Sections 793, 794, and 798; Order of the President of the United States (Executive Order 11652); and regulations issued by the Attorney General of the United States (28 Code of Federal Regulations, Sections 16.21 through 16.26) prohibit loss, misuse, or unauthorized disclosure or production of national security information, other classified information and other nonclassified information in the files of the FBI;

(2) I understand that unauthorized disclosure of information in the files of the FBI or information I may acquire as an employee of the FBI could result in impairment of national security, place human life in jeopardy, or result in the denial of due process to a person or persons who are subjects of an FBI investigation, or prevent the FBI from effectively discharging its responsibilities. I understand the need for this secrecy agreement; therefore, as consideration for employment I agree that I will never divulge, publish, or reveal either by word or conduct, or by other means disclose to any unauthorized recipient without official written authorization by the Director of the FBI or his delegate, any information from the investigatory files of the FBI or any information relating to material contained in the files, or disclose any information or produce any material acquired as a part of the performance of my official duties or because of my official status. The burden is on me to determine, prior to disclosure, whether information may be disclosed and in this regard I agree to request approval of the Director of the FBI in each such instance by presenting the full text of my proposed disclosure in writing to the Director of the FBI at least thirty (30) days prior to disclosure. I understand that this agreement is not intended to apply to information which has been placed in the public domain or to prevent me from writing or speaking about the FBI but it is intended to prevent disclosure of information where disclosure would be contrary to law, regulation or public policy. I agree the Director of the FBI is in a better position than I to make that determination;

(3) I agree that all information acquired by me in connection with my official duties with the FBI and all official material to which I have access remains the property of the United States of America, and I will surrender upon demand by the Director of the FBI or his delegate, or upon separation from the FBI, any material relating to such information or property in my possession;

(4) That I understand unauthorized disclosure may be a violation of Federal law and prosecuted as a criminal offense and in addition to this agreement may be enforced by means of an injunction or other civil remedy.

I accept the above provisions as conditions for my employment and continued employment in the FBI. I agree to comply with these provisions both during my employment in the FBI and following termination of such employment.

AUTHORITY: 28 U.S.C. 509, 510 and 5 U.S.C. 301.

Subpart B—Production or Disclosure in Response to Subpenas or Demands of Courts or Other Authorities

§ 16.21 Purpose and scope.

(a) This subpart sets forth the procedures to be followed when a subpoena, order, or other demand (hereinafter referred to as a "demand") of a court or

other authority is issued for the production or disclosure of (1) any material contained in the files of the Department, (2) any information relating to material contained in the files of the Department, or (3) any information or material acquired by any person while such person was an employee of the Department as a part of the performance of his official duties or because of his official status.

(b) For purposes of this subpart, the term "employee of the Department" includes all officers and employees of the United States appointed by, or subject to the supervision, jurisdiction, or control of, the Attorney General of the United States, including U.S. attorneys, U.S. marshals, and members of the staffs of those officials.

§ 16.22 Production or disclosure prohibited unless approved by appropriate Department official.

No employee or former employee of the Department of Justice shall, in response to a demand of a court or other authority, produce any material contained in the files of the Department or disclose any information relating to material contained in the files of the Department, or disclose any information or produce any material acquired as part of the performance of his official duties or because of his official status without prior approval of the appropriate Department official or the Attorney General in accordance with § 16.24.

§ 16.23 Procedure in the event of a demand for production or disclosure.

(a) Whenever a demand is made upon an employee or former employee of the Department for the production of material or the disclosure of information described in § 16.21(a), he shall immediately notify the U.S. attorney for the district where the issuing authority is located. The U.S. attorney shall immediately request instructions from the appropriate Department official, as designated in paragraph (b) of this section.

(b) The Department officials authorized to approve production or disclosure under this subpart are:

This authority may be redelegated to Deputy Assistant Attorneys General.

(2) In instances of demands that are not covered by paragraph (b) (1) of this section:

(i) The Director of the Federal Bureau of Investigation, if the demand is one made on an employee or former employee of that Bureau for information or if the demand calls for the production of material from the files of that Bureau, and

(ii) The Director of the Bureau of Prisons, if the demand is one made on an employee or former employee of that Bureau for information or if the demand calls for the production of material from the files of that Bureau.

(3) In instances of demands that are not covered by paragraph (b) (1) or (2) of this section, the Deputy Attorney General.

(c) If oral testimony is sought by the demand, an affidavit, or, if that is not feasible, a statement by the party seeking the testimony or his attorney, setting forth a summary of the testimony desired, must be furnished for submission by the U.S. attorney to the appropriate Department official.

§ 16.24 Final action by the appropriate Department official or the Attorney General.

(b) If the appropriate Department official, as designated in § 16.23(b), decides not to approve a demand for the production of material or disclosure of information, he shall immediately refer the demand to the Attorney General for decision. Upon such referral, the Attorney General shall make the final decision and give notice thereof to the U.S. attorney and such other persons as circumstances may warrant.

§ 16.25 Procedure where a Department decision concerning a demand is not made prior to the time a response to the demand is required.

If response to the demand is required before the instructions from the appropriate Department official or the Attorney General are received, the U.S. attorney or other Department attorney designated for the purpose shall appear with the employee or former employee of the Department upon whom the demand has been made, and shall furnish the court or other authority with a copy of the regulations contained in this subpart and inform the court or other authority that the demand has been, or is being, as the case may be, referred for the prompt consideration of the appropriate Department official and shall respectfully request the court or authority to stay the demand pending receipt of the requested instructions.

§ 16.26 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with § 16.25 pending receipt of instructions, or if the court or other authority rules that the demand must be complied with irrespective of instructions not to produce the material or disclose the information sought, in accordance with § 16.24, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand. OFFICE OF THE ATTORNEY GENERAL

WASHINGTON, D. C.

ORDER NO. 116-56

It is the policy of the Department of Justice to extend the fullest possible cooperation to congressional committees requesting information from departmental files, interviews with department employees, testimony of department personnel, or testimony of Federal prisoners. The following procedures are prescribed in order to effectuate this policy on a basis which will be mutually satisfactory to the congressional committees and to the Department. [This order supersedes the Deputy Attorney General's Memorandum No. 5, dated March 23, 1953, and his Memorandum No. 97, dated August 5, 1954. It formalizes the Attorney General's press release of November 5, 1953, establishing procedures to permit committees of the Congress and their authorized representatives to interview and to take sworn testimony from Federal prisoners. It supplements Order No. 3229 (Revised) dated January 13, 1953, and Order No. 3464, Supplement No. 4 (Revised) dated January 13, 1953 (with Memorandum of "Authorization Under Order No. 3464 Supplement No. 4 (Revised)" dated January 13, 1953), insofar as said orders have reference to procedures to be followed in the Department's relations with congressional committees. In support of this order, reference should be had to the President's letter dated May 17, 1954, addressed to the Secretary of Defense, and to the Attorney General's Memorandum which accompanied it.]

A. REQUESTS FOR INFORMATION FROM DEPARTMENT FILES

1. Congressional committee requests for the examination of files or other confidential information should be reduced to writing, signed by the chairman of the committee, and addressed to the Deputy Attorney General, who is responsible for the coordination of our liaison with Congress and congressional committees. The request shall state the specific information sought as well as the specific objective for which it is sought. The Deputy Attorney General will forward the request to the appropriate division where a reply will be prepared and returned for the Deputy Attorney General's signature and dispatch to the chairman of the committee.

2. If the request concerns a closed case, i. e., one in which there is no litigation or administrative action pending or contemplated, the file may be made available for review in the Department, in the presence of the official or employee having custody thereof. The following procedure shall be followed in such cases:

a. The reply letter will advise the committee that the file is available for examination and set forth the name, telephone extension number, and room number of the person who will have custody of the file to be reviewed;

b. Before making the file available to the committee representative all reports and memoranda from the FBI as well as investigative reports from any other agency, will be removed from the file and not be made available for examination; provided however that if the committee representative states that it is essential that information from the FBI reports and memoranda be made available, he will be advised that the request will be considered by the Department. Thereafter a summary of the contents of the FBI reports and memoranda involved will be prepared which will not disclose investigative techniques, the identity of confidential informants, or other matters which might jeopardize the investigative operations of the FBI. This summary will be forwarded by the division to the FBI with a request for advice as to whether the FBI has any objection to examination of such summary by the committee representative. The file will not be physically relinquished from the custody of the Department. If the committee representative desires to examine investigative reports from other government agencies, contained in the files of the Department, he will be advised to direct his request to the agency whose reports are concerned.

3. If the request concerns an open case, i. e., one which litigation or administrative action is pending or contemplated, the file may not be made available for examination by the committee's representative. The following procedure shall be followed:

a. The reply letter should advise the committee that its request concerns a case in which litigation or administrative action is pending or contemplated, and state that the file cannot be made available until the case is completed; and

b. Should briefly set forth the status of the case in as much detail as is practicable and prudent without jeopardizing the pending contemplated litigation or administrative action.

B. REQUESTS FOR INTERVIEWS WITH DEPARTMENTAL PERSONNEL

1. Requests for interviews with departmental personnel regarding any official matters within the Department should be reduced to writing, signed by the chairman of the committee, and addressed to the Deputy Attorney General. When the approval of the Deputy Attorney General is given, the employee is expected to discuss such matters freely and cooperatively with the representative, subject to the limitations prescribed in A respecting open cases and data in investigative reports;

2. Upon the completion of the interview with the committee representative the employee will prepare a summary of it for the file, with a copy routed to his division head and a copy routed to the Deputy Attorney General.

C. EMPLOYEES TESTIFYING BEFORE CONGRESSIONAL COMMITTEES

1. When an employee is requested to testify before a congressional committee regarding official matters within the Department the Deputy Attorney General shall be promptly informed. When the Deputy Attorney General's approval is given the employee is expected to testify freely subject to limitations prescribed in A respecting open cases and data in investigative reports;

2. An employee subpoenaed to testify before a congressional committee on official matters within the Department shall promptly notify the Deputy Attorney General. In general he shall be guided in testifying by Order 3229 (Revised) and the President's letter of May 17, 1954, cited at the beginning of this Order.

3. Upon the completion of his testimony the employee will prepare a memorandum outlining his testimony with a copy routed to his division head and a copy routed to the Deputy Attorney General.

D. REQUESTS OF CONGRESSIONAL COMMITTEES FOR THE TESTIMONY OF FEDERAL PRISONERS

Because of the custodial hazards involved and the extent to which their public testimony may affect the discipline and well-being of the institution, it is the policy of the Department not to deliver Federal prisoners outside the penal institution in which they are incarcerated for the purpose of being interviewed or examined under oath by congressional committees. However, when it appears that no pending investigation or legal proceeding will be adversely affected thereby and that the public interest will not be otherwise adversely affected, Federal prisoners may be interviewed or examined under oath by congressional committees in the institution in which they are incarcerated under the following procedures, and with the specific advance approval of the Deputy Attorney General.

1. Arrangements for interviewing and taking of sworn testimony from a Federal prisoner by a committee of the Congress or the authorized representatives of such a committee shall be made in the form of a written request by the chairman of the committee to the Deputy Attorney General.

2. Such written request shall be made at least ten (10) days prior to the requested date for the interview and the taking of testimony and shall be accompanied by written evidence that authorization for the interview or the taking of sworn testimony was approved by vote of the committee. Such request shall contain a statement of the purpose and the subjects upon which the prisoner will be interrogated as well as the names of all persons other than the representatives of the Department of Justice who will be present.

3. A member of the interested committee of the Congress shall be present during the entire time of the interrogation.

4. The warden of the penal institution in which the Federal prisoner is incarcerated shall, at least forty-eight (48) hours prior to the time at which the interview takes place, advise the Federal prisoner concerned of the proposed interview or taking of sworn testimony; and shall further advise that he is under the same, but no greater obligation to answer than any other witness who is not a prisoner.

5. The warden of the penal institution shall have complete authority in conformity with the requirements of security and the maintenance of discipline to limit the number of persons who will be present at the interview and taking of testimony.

6. The warden or his authorized representative shall be present at the interview and at the taking of testimony and the Department of Justice shall have the right to have one of its representatives present throughout the interview and taking of testimony.

7. The committee shall arrange to have a stenographic transcript made of the entire proceedings at committee expense and shall furnish a copy of the transcript to the Department of Justice.

E. OBSERVERS IN ATTENDANCE AT COMMITTEE HEARINGS

In order that the Department may be kept currently advised in matters within its responsibility, and in order that the Deputy Attorney General may properly coordinate the Department's liaison with Congress and its committees, each division that has an observer in attendance at a congressional hearing, will have the observer prepare a written summary of the proceeding which should be sent to the division head and a copy routed to the Deputy Attorney General.

IN THE USUAL CASE, AS CIRCUMSTANCES UNFOLD, THE FORMER EMPLOYEE IS TOLD (1) THAT HE HAS A RIGHT TO LEGAL COUNSEL, BUT THAT THE BUREAU CANNOT PROVIDE SAME; (2) THAT THE BUREAU HAS WAIVED THE CONFIDENTIALITY AGREEMENT FOR THE INTERVIEW WITHIN SPECIFIED PARAMETERS; AND (3) THAT THERE ARE FOUR PRIVILEGED AREAS IN WHICH HE IS NOT REQUIRED TO ANSWER QUESTIONS. THIS CHANGE IN PROCEDURE SHOULD NOT BE CONSTRUED AS LESSENING THE ASSISTANCE WE ARE FURNISHING TO CURRENT AND FORMER EMPLOYEES.

FOR YOUR ADDITIONAL INFORMATION, I AM WORKING WITH THE DEPARTMENT IN EXPLORING AVENUES TO ARRANGE LEGAL REPRESENTATION, WHEN NECESSARY, FOR CURRENT AND FORMER EMPLOYEES WITHOUT EXPENSE TO THEM. YOU WILL BE KEPT ADVISED OF DEVELOPMENTS IN THIS REGARD.

NOTE:

Referenced 5/2/75 teletype briefly informed of our cooperation with the SSC and of our obligation to insure that sensitive sources, methods and ongoing sensitive investigations are fully protected. LEGAL ADVICE FOR PRESENT OR FORMER BUREAU EMPLOYEES.

IN RESPONSE TO OUR REQUEST, THE ATTORNEY GENERAL ADVISED THAT LEGAL REPRESENTATION FOR EMPLOYEES WOULD BE MADE AVAILABLE FOR PRELIMINARY ADVICE. SHOULD CASES ARISE WHERE A FORMER OR PRESENT EMPLOYEE REQUIRES MORE PROTRACTED AND SUBSTANTIAL LEGAL REPRESENTATION, IT IS THE POSITION OF THE DEPARTMENT THAT SPECIAL COUNSEL MAY BE RETAINED FOR SUCH EMPLOYEES AT DEPARTMENT EXPENSE. GUIDELINES ARE BEING DRAWN BY THE DEPARTMENT TO GOVERN THESE MATTERS.

HOWEVER, SHOULD THE DEPARTMENT SUBSEQUENTLY CONCLUDE THAT SUCH CASES INVOLVE MATTERS OUTSIDE THE SCOPE OF A PRESENT OR FORMER EMPLOYEE'S DUTIES, OTHER CONSIDERATIONS WOULD APPLY.

ALL LEGATS ADVISED SEPARATELY.

Mr. Church's Cover-Up

By William Safire

WASHINGTON, Nov. 19—On Oct. 10, 1963, the then-Attorney General of the United States put his personal signature on a document that launched and legitimized one of the most horrendous abuses of Federal police power in this century.

In Senator Frank Church's subcommittee hearing room this week, the authorized wiretapping and subsequent unauthorized bugging and attempted blackmailing of Martin Luther King Jr. is being gingerly examined, with the "investigation" conducted in such a way as not to unduly embarrass officials of the Kennedy or Johnson Administrations.

With great care, the committee has focused on the F.B.I. Yesterday, when the committee counsel first set forth the result of shuffling through press clips, it seemed as if no Justice Department had existed in 1962; today, an F.B.I. witness pointed out that it was Robert Kennedy who authorized the wiretap of Dr. King, and that "the President of the United States and the Attorney General specifically discussed their concern of Communist influence with Dr. King."

But the Church committee showed no zest for getting further to the Kennedy root of this precedent to Watergate eavesdropping. If Senator Church were willing to let the chips fall where they may, he would call some knowledgeable witnesses into the glare of the camera lights and ask them some questions that have gone unasked for thirteen years.

For example, he could call Nicholas Katzenbach, Attorney General Kennedy's deputy and successor, and ask what he knows of the Kennedy decision to wiretap Dr. King. Who at Justice concurred in the recommendation? How does the F.B.I. know the President was consulted or informed?

After Mr. Katzenbach assumed office, and the wiretapping continued, he was told by angry newsmen that the F.B.I. was leaking scurrilous information about Dr. King. Why did he wait for four months, and for a thousand telephonic interceptions, to discontinue the officially approved tap?

Of course, this sort of testimony would erode Senator Church's political base. That is why we do not see former Assistant F.B.I. director Cartha (Duke) DeLoach, Lyndon Johnson's personal contact with the F.B.I. in the witness chair. What did President Johnson know about the character-assassination plot and when did he know it? What conversations took place between Mr. DeLoach and President Johnson on the tapping of Dr. King, or about the use of the F.B.I. in any other intrusions into the lives of political figures?

The committee is not asking embarrassing questions even when answers are readily available. A couple of weeks ago, at an open hearing, an F.B.I. man inadvertently started to blurt out an episode about newsmen who were wiretapping in 1962 with the apparent knowledge of Attorney General Kennedy. The too-willing witness was promptly shooshed into silence, and told that such information would be developed only in executive session. Nobody raised an eyebrow.

That pattern of containment by the Church committee is vividly shown by the handling of the buggings at the 1964 Republican and Democratic con-

ESSAY

ventions which were ordered by Lyndon Johnson. Such invasions of political headquarters were worse than the crime committed at Watergate, since they involved the use of the F.B.I., but the Church investigators seem to be determined not to probe too deeply.

If F.B.I. documents say that reports were made to specific Johnson aides, why are those men not given the same opportunity to publicly tell their story so avidly given the next President's men? If Lyndon Johnson committed this impeachable high crime of using the F.B.I. to spy on political opponents, who can be brought forward to tell us all about it?

But that would cause embarrassment to Democrats, and Senator Church wants to embarrass professional employees of investigatory agencies only. A new sense of Congressional decorum exists, far from the sense of outrage expressed in the Senate Watergate committee's hearing room. When it is revealed that the management of NBC News gave press credentials to L.B.J.'s spies at the 1964 convention, everybody blushes demurely—and nobody demands to know which network executive made what decision under what pressure.

I have been haranguing patient readers for years about the double standard applied to Democratic and Republican political crimes, and had hoped the day would come when the hardball precedents set by the Kennedy and Johnson men would be laid before the public in damning detail.

Obviously, Democrat Frank Church is not the man to do it. His jowl-shaking indignation is all too selective; the trail of high-level responsibility for the crimes committed against Dr. King and others is evidently going to be allowed to cool.

Pity. You'd think that after all the nation has been through in the past few years, our political leaders would have learned that the one thing that brings you down is the act of covering up.

(2) IN RESPONSE TO QUESTIONS REGARDING IMPROPER CONDUCT BY FBI EMPLOYEES, I STATED THAT ALLEGED VIOLATIONS OF LAW BY FBI PERSONNEL SHOULD BE INVESTIGATED BY THE FBI OR OTHER APPROPRIATE AGENCY; THAT THE INSPECTION DIVISION HAS CONDUCTED INQUIRIES REGARDING ALLEGATIONS OF MISCONDUCT; THAT AN OFFICE OF PROFESSIONAL RESPONSIBILITY HAS JUST BEEN ESTABLISHED IN THE JUSTICE DEPARTMENT, AND WE WILL ADVISE THAT OFFICE OF OUR MAJOR INVESTIGATIONS OF DEPARTMENTAL PERSONNEL, INCLUDING FBI EMPLOYEES, FOR ALLEGED VIOLATIONS OF LAW, REGULATIONS, OR STANDARDS OF CONDUCT; THAT I WOULD RESERVE COMMENT REGARDING POSSIBLE CREATION OF A NATIONAL INSPECTOR GENERAL TO CONSIDER MATTERS OF MISCONDUCT BY EMPLOYEES OF ANY FEDERAL AGENCY.

(3) IN RESPONSE TO QUESTIONS CONCERNING HARASSMENT OF MARTIN LUTHER KING, JR., I STATED THAT THE PERSONS WHO ISSUED THE ORDERS WHICH RESULTED IN SUCH HARASSMENT SHOULD FACE THE RESPONSIBILITY FOR IT, RATHER THAN THOSE UNDER THEM WHO CARRIED OUT SUCH ORDERS IN GOOD FAITH; THAT THE FBI STILL HAS RECORDINGS RESULTING FROM ELECTRONIC SURVEILLANCES OF KING; THAT WE RETAIN RECORDINGS FOR TEN YEARS BUT WE ALSO HAVE AGREED TO A REQUEST FROM THE SENATE NOT TO DESTROY INFORMATION IN OUR FILES WHILE CONGRESSIONAL INQUIRIES ARE BEING CONDUCTED; THAT I HAVE NOT REVIEWED THE KING TAPES; THAT IF THE COMMITTEE REQUESTED TO REVIEW THE KING TAPES, THE REQUEST WOULD BE REFERRED TO THE ATTORNEY GENERAL.

(4) IN RESPONSE TO QUESTIONS REGARDING WHETHER IT WOULD BE ADVANTAGEOUS TO SEPARATE THE FBI CRIMINAL INVESTIGATIVE RESPONSIBILITIES AND OUR INTELLIGENCE FUNCTIONS, I STATED THAT WE HAVE FOUND THE TWO AREAS TO BE COMPATIBLE, AND I FEEL THE FBI IS DOING A SPLENDID JOB IN BOTH AREAS.

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES (SSC)
INTERVIEW OF SPECIAL AGENT FRANCIS T. LEONARD BY SSC STAFF
MEMBER MICHAEL EPSTEIN

On Friday, February 27, 1976, at approximately 10:30 A. M., Special Agent Francis T. Leonard, who is currently assigned to the Boston Division, met with SSC Staff Member Michael Epstein in a room on the sixth floor of the Old Senate Office Building, Washington, D. C.

Special Agent Leonard was not provided with a warning as to his rights nor was he placed under oath at the outset of the interview.

The only two occupants of the room at the outset of this interview were Leonard and Epstein. Epstein ascertained from Leonard that he had entered on duty as a Special Agent with the FBI on August 6, 1951, and had been assigned to the New York Office from April 1955 to May 1967. Leonard stated that during the period from 1955 through approximately 1964, his work entailed investigations regarding the internal security of the United States.

Epstein inquired as to what role Leonard played in the investigation of one Stanley David Levison. Leonard replied that he was the case Agent of the Stanley David Levison investigation during the late 1950s and early 1960s although he could not be sure of the exact years because of the extensive period of time that has elapsed since he was involved in that investigation. Epstein queried Leonard as to his recollection of how he became the case Agent in the Levison case, and Leonard replied that to the best of his recollection the Levison case was reopened and assigned to him based on new information that Levison was a secret member of the Communist Party of the United States (CPUSA).

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

INTERVIEW OF SPECIAL AGENT FRANCIS T. LEONARD BY SSC STAFF
MEMBER MICHAEL EPSTEIN

At this point Epstein stated wasn't it in fact Levison's association with Martin Luther King, Jr., that led to the reopening of the case and Leonard replied that he was positive that was not the reason for the reopening of the case but rather information regarding Levison's activities with the CPUSA. Epstein inquired as to specifically what these activities of Levison's were and Leonard refused to reveal them because he felt that by so doing, he may jeopardize the security of a highly reliable source of the Bureau that had furnished the information regarding Levison. Leonard further explained that he felt this would be in violation of the agreement between the Bureau and the Committee if he should reveal this information.

Epstein then showed Special Agent Leonard a memorandum bearing his name to the SAC, New York, dated August 22, 1962, entitled Stanley David Levison and asked Leonard if he recalled the memo. Special Agent Leonard stated that he did not recall the memo but that undoubtedly it was his memo and appeared to be a characterization of Stanley David Levison. Epstein then inquired as to what the procedure was for formulating such a characterization and it was explained to him by Special Agent Leonard to the best of his knowledge. At this point Epstein stated that he would prefer to continue the interview with the presence of a court stenographer and asked if Special Agent Leonard had any objection to that. Special Agent Leonard replied that he had no objection to a court stenographer being present. At this point the interview was terminated at approximately 11:05 A. M.

The interview was resumed at 11:25 A. M. in the same room with the court stenographer present and all the information discussed in the first interview was repeated for the benefit of the court stenographer up to and including the discussion regarding the characterization of Stanley David Levison dated August 22, 1962. At that point in the second interview, Epstein held up a report on Martin Luther King, Jr., written by Special Agent John Elliott of the New York Office. Epstein asked Leonard if he knew Elliott and he replied that he did. He did not make the report available to Leonard but Epstein then

asked Leonard if he was aware of any relationship between Stanley David Levison and Martin Luther King prior to Leonard being assigned the case Agent of the Levison investigation. Leonard replied that he was not. At this point Epstein referred to page 17 of Elliott's report and gave the following four dates: December 26, 1956; September 24, 1958; January 18, 1959; and May 6, 1960; on which it was reported by sources of the FBI that there was a relationship between Stanley David Levison and Martin Luther King, Jr.

At this point Epstein produced another memorandum written by Special Agent Leonard to the SAC, New York, dated July 26, 1963, which was another characterization of Stanley David Levison stating that he was a secret member of the CPUSA. Epstein asked Leonard if he recalled writing such a memorandum and he replied that although he did not recall it, obviously it was a memorandum written by him at that time. Again Epstein and Leonard discussed the administrative procedure that would be used by the New York Office to make up a characterization card regarding an individual. During this portion of the conversation, Epstein asked Leonard if he knew the identity of the Agent who handled the highly reliable source that was used to characterize Stanley David Levison. Leonard stated that he did know the identity of the Agent but refused to disclose it because by so doing it could lead to the identification of this highly reliable source of information. At this point Epstein asked Leonard what he meant when he said Levison was a secret member of the Communist Party and Leonard pointed out to Epstein that it was not Leonard but the source of this information who described Levison as a secret member of the Communist Party and that Leonard was merely repeating that for the purpose of making a characterization of Levison. Epstein then asked Leonard what his definition was of a secret member of the CP and Leonard said he could only give his own definition because he was not aware of the criteria that Bureau headquarters or the New York Office would have for such a definition. Epstein stated that he desired Leonard to give his own definition which he furnished as follows:

1. An individual that would not openly take part in any CPUSA function such as a national convention or state or district convention.
2. An individual who would not be carried on any membership list.
3. Not to be a card carrying member of the CP.
4. Not to be publicly associated with any known members of the CP, socially or otherwise.

Leonard further stated that a secret member would be an individual who adhered to and supported the principle of the CPUSA, that is, to overthrow the United States Government by force and violence and that a secret member would make a contribution to the CPUSA in order that they could accomplish that goal whether it be financial or otherwise.

Epstein then asked if the FBI made any effort to establish Stanley David Levison's connection with the CPUSA other than that which was furnished by the highly reliable source referred to earlier in this memorandum. Leonard stated that there was a constant effort made by physical surveillances and contact with other sources of information to determine a relationship between Stanley Levison and other CP members. Epstein asked if Leonard participated in any physical surveillances of Stanley Levison and Leonard stated that he did recall taking part in such physical surveillances but could not recall the results of these surveillances.

Epstein and Leonard then discussed memoranda regarding technical surveillances of Stanley David Levison in very general terms. Epstein asked if Leonard could recall any evidence of Stanley Levison influencing the civil rights movement at the direction of the CPUSA and Special Agent Leonard answered that he could not.

The interview was terminated with two last questions, one regarding the fact that if Special Agent Leonard had

knowledge that microphones were installed at one time or another in the hotel rooms of Martin Luther King and Leonard answered that he had recollection of general information to that effect and, secondly, did Special Agent Leonard know William Sullivan (presumably former Assistant Director William Sullivan) and Special Agent Leonard replied his only personal relationship with Sullivan was when Sullivan lectured to Leonard's training class in 1951.

The interview was terminated at approximately 1:35 P. M. on February 27, 1976.
