4. REPORT OF FINDINGS

SOURCE HAD NO OBJECTION TO HIS IDENTITY BEING RELEASED TO SUBJECT

On 16 September 1982, Henry D. Glaister, Captain, JFK Act 5 (g) (2) (D) United States Army, was interviewed in his home at 812 Maplewood Drive, Columbia, Missouri 65201, concerning Joseph T. WHITE, PFC, 492-60-2196. Source, SUBJECT'S former Military Science instructor from August 1980 to May 1981, at Kemper Military School and College (KMSC), Boonville, Missouri 65233, stated in substance as follows:

Source first met SUBJECT in August 1980, when SUBJECT enrolled at KMSC. From August 1980 to May 1981, Source had contact with SUBJECT three times weekly for a one hour class, and twice monthly for weekend leadership classes. Also during this period, Source counseled SUBJECT on three occasions concerning SUBJECT'S academic performance. From June 1981 to July 1981, Source, acting as the Reserve Officer Training Corps (ROTC) Advance Summer Camp (ASC) Liaison Officer for KMSC at Fort Riley, Kansas, had contact with SUBJECT on three separate occasions about SUBJECT'S performance in ASC. Source last met SUBJECT in September 1981, when SUBJECT enrolled for 1981/82 school year at KMSC. Source has had no contact with SUBJECT since September 1981 when HE departed KMSC.

SUBJECT was born in St Louis, Missouri, where HIS family still maintains their residence. SUBJECT'S father worked for an automobile company in Saint Louis, Missouri, (NFI). Source could provide no further information regarding SUBJECT'S family background, past employments, prior residences or education. SUBJECT had no close associates.

SUBJECT was a member of Source's Military Science class from August 1980 to May 1981. SUBJECT was a good student and did well on the course tests. Source had no disciplinary problems with SUBJECT but Source counseled SUBJECT on three occasions to improve HIS leadership skills. During a counseling session in approximately November 1980, SUBJECT told Source that HE was having financial difficulty in meeting HIS school expenses. SUBJECT further stated that HE was concerned with the financial assistance being provided by HIS parents as being a financial burden to the family. In approximately January 1981, Source assisted SUBJECT in entering the Simultaneous Membership Program (SMP) to assist HIM financially. In the SMP, SUBJECT was required to train with the Missouri National Guard (MNG), Marshall, Missouri, once a month and received \$88 for HIS duty time. From June 1981 to July 1981, SUBJECT attended

ROTC ASC at Fort Riley, Kansas. In July 1981, while Source was assigned as an Individual Tactical Training (ITT) instructor at Fort Riley, Kansas, he received performance evaluations from SUBJECT'S peers and cadre personnel describing SUBJECT as immature and unable to interact with HIS peers. As a result of these reports, SUBJECT was required to appear before an administrative review board. The review board was to decide if SUBJECT was to be given credit for completing ASC. Source, acting as defense representative for SUBJECT, submitted testimony to the board that SUBJECT should be granted credit for ASC. Source could not recall any specific statements other than saying SUBJECT was immature but should be given the benefit of the doubt and be granted credit for completing ASC. The board ruled that SUBJECT would be given credit for ASC. Upon completion of ASC, SUBJECT was to report for Annual Training (AT) with C Battery, 128th Field Artillery Battalion, MNG, Marshall, Missouri. When SUBJECT returned to KMSC approximately 15 September 1981, HE told Source that HE had failed to attend HIS AT, (NFI). SUBJECT further stated HE had attended airborne training at Fort Benning, Georgia, from August 1981 to September 1981, (NFI). In September 1981, SUBJECT'S financial trouble led to HIS disenrollment from KMSC, which subsequently led to SUBJECT being disenrolled from the ROTC program, (NFI).

In approximately February 1981, Source was informed by Thomas McCarthy, Professor, KMSC, that SUBJECT and McCarthy debated the benefits of National Socialism (Nazism) during McCarthy's American Government class. SUBJECT'S support for Nazism enraged the other students and further widened the gap with SUBJECT'S peers, (NFI). Source believed SUBJECT to be loyal to the United States, but, because of HIS beliefs on Nazism and Communism, HE was branded "Anti-US" by HIS peers. Source, personally could not recall any occasions in which SUBJECT specifically denounced the United States Government. In approximately May 1981, Booker T. Washington, SUBJECT'S former Cadet Commanding Officer, A Company, KMSC, told Source that he was having trouble with SUBJECT. Washington related that because of SUBJECT'S beliefs in Nazism, and HIS "superior" attitude over HIS peers, HE was alienating HIS peers against HIM. Washington related further that SUBJECT had gone AWOL overnight in approximately April 1981 to attend a debate between the Grand Wizard of the Ku Klux Klan (KKK) and a representative of the National Association for the Advancement of Colored People (NAACP). The debate was held in Columbia, Missouri. Washington also advised Source that SUBJECT had National Socialist reading material in HIS barracks room, (NFI). Source did not know Washington's present address, only that Washington may be in the Berkley or Oakland, California area, (NFI).

Source believed SUBJECT was mentally stable, but emotionally immature.
