AFFIDAVIT

State of Arkansas)
County of Pulaski)

On this day comes before me, a Notary Public, authorized to administer oaths, in and for the County of Pulaski, State of Arkansas, Larry Patterson, to me well known, who being first duly sworn, says, upon oath:

I received a telephone call from Roger Perry on the 20th day of July, 1993. Roger was working security detail at the Arkansas Governor's mansion at Little Rock. He advised me that a lady known to both of us as Helen Dickey had telephonically contacted him and advised him that Vincent Foster, well known to both of us because of his relationship with Hillary Clinton and his being an adviser to Governor Bill Clinton had gotten off work and had gone out to his car in the parking lot and had shot himself in the head. I do not recall the exact time of this telephone call but am fairly certain it was some time before 6:00 p.m. on that date.

Dickey was employed as a baby-sitter by Governor and Hillary Clinton while in Arkansas and at the time of the call she was working at the White House in Washington, D.C.

I have been asked, under oath, whether Bill Clinton ever had extramarital affairs while he was Governor of Arkansas. I have replied that I knew Jennifer Flowers, who has said she had an affair with Governor Clinton. I took him, on occasions to the Quapaw Towers, where she lived, and where he would meet with her. I have taken him to see other females with whom he had personal relationships, including one he met during the night at Chelsea Clinton's schoolyard. I worked with Danny Ferguson, another trooper who was working security detail at the Governor's Mansion. Danny told me that he had talked with a young lady named Paula Jones during a meeting at the Excelsior Hotel in Little Rock. He told me he had taken her up to a room in that Hotel after having been asked to by then Governor Bill Clinton. On one occasion I was with Governor Clinton when we met Paula Jones in the rotunda at the State Capitol. The Governor referred to her as Paula as they hugged. Danny has also told me that he talked with Paula at a restaurant in Little Rock in the summer of 1994. At that time, Paula told Danny that she had learned she had been mentioned in a magazine article about Bill Clinton. He told her then, according to his conversation with me, that he would testify in her behalf if she did file suit against Clinton. I have read Danny's answer to her suit and see that he admitted taking Paula up to Clinton's room on that occasion. That agrees with what I know about that situation.
