 Re: Scheduling

Below is the complete clipping schedule. If you are unable to work on a particular day, you are responsible for finding your own replacement from the list below. Many of you are working only once a week, but indicated originally a willingness to work a second or even a third day, so this it shouldn't be too difficult to find someone to fill for you. Of course, the earlier you start searching, the easier to find someone; calling around at 10 p.m. might get you nowhere.

If you haven't yet filled out the attached blue volunteer form, please do so before you leave.

Thanks again for your time; your help here is invaluable.
