The Honorable Stuart Delery  
Counsel to the President  
The White House  
Washington, D.C. 20502

Dear Mr. Delery:

In accordance with the requirements of the Presidential Records Act (PRA), as amended, 44 U.S.C. §§2201-2209, this letter constitutes a formal notice from the National Archives and Records Administration (NARA) to the incumbent President of our intent to open Clinton Presidential records in response to the Freedom of Information Act (FOIA) requests listed in Attachment A.

These records, consisting of 78,819 pages, 70 video cassettes, and 14 audio cassettes, have been reviewed for all applicable FOIA exemptions, resulting in 3,372 pages restricted in whole or in part. NARA is proposing to open the remaining 75,447 pages, 70 video cassettes, and 14 audio cassettes. A copy of any records proposed for release under this notice will be provided to you upon your request.

We are also concurrently informing former President Clinton's representative, Bruce Lindsey, of our intent to release these records. Pursuant to 44 U.S.C. 2208(a), NARA will release the records 60 working days from the date of this letter, which is August 31, 2023, unless the former or incumbent President requests a one-time extension of an additional 30 working days or asserts a constitutionally based privilege, in accordance with 44 U.S.C. 2208(b)-(d). Please let us know if you are able to complete your review before the expiration of the 60 working day period. Pursuant to 44 U.S.C. 2208(a)(1)(B), we will make this notice available to the public on the NARA website.

2013-0661-F (segment 3)	National Service-AmeriCorps	78,819 pages; 70 video cassettes; 14 audio cassettes	3,372 pages closed in whole or part	75,447 pages open; 70 video cassettes; 14 audio cassettes open

The researcher submitted a Freedom of Information Act (FOIA) request for records related to national service/AmeriCorps. The Clinton Presidential records to be opened include correspondence, reports, applications, publications, pamphlets, programs, resumes, project proposals, papers, lists, flyers, photographs, memoranda, maps, handwritten notes, AmeriCorps newsletters, quarterly reports, videotapes, and audiotapes. The White Office of Records Management subject files relate to the Clinton administration's National Service initiative and the startup of the AmeriCorps program in 1993-1994. Most of the White House Staff and Office records to be opened relate to the Department of Agriculture's AmeriCorps program from 1994-1997. These records demonstrate the department's attempt to set up a national service team under the guidance of Joel Berg, Director of National Service for the USDA. The records demonstrate the use of AmeriCorps' members within the agency's programs, particularly the Summer of Gleaning program, flood emergency response, dry fire hydrant projects, community outreach for grant assistance, and other community projects within the USDA, Forest Service, and Natural Resources Conservation Service. The audio and video cassettes contain press and interviews related to the AmeriCorps and national service in the USDA.
