Back in the Saddle

New York's female cavalry drilling in city streets, May 1918. [National Archives Identifier 31474815](#)

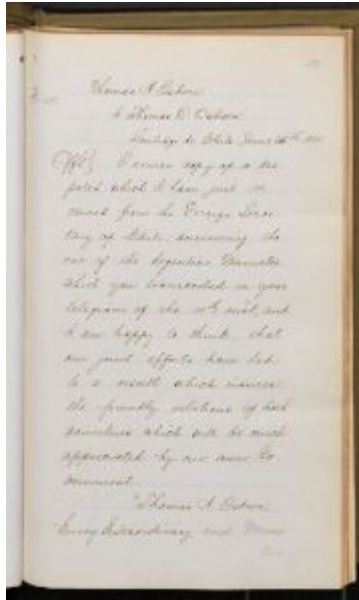

Hello, virtual volunteers! We are back in the saddle and ready to share some new [Citizen Archivist missions](#) with you. We've refreshed our dashboard with new missions and more individual featured records, all waiting for you to jump in and transcribe. Here are a few of our latest missions. [Check it out!](#) We hope you find these latest missions intriguing.

Get Started Transcribing!

Correspondence of Bess Wallace Truman

Transcribe letters, notes, and other items compiled by Bess W. Truman before and during the early years of her marriage to Harry S. Truman.

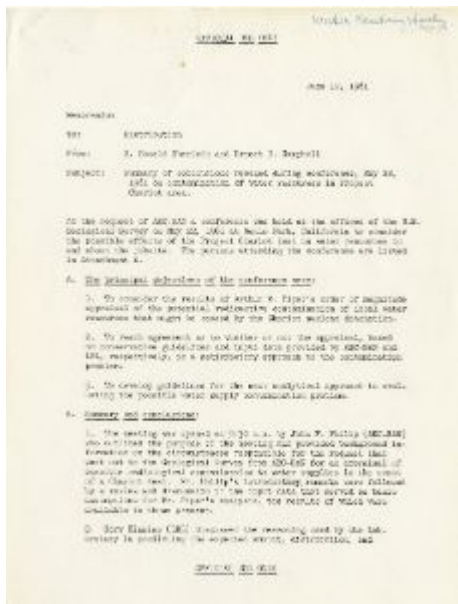

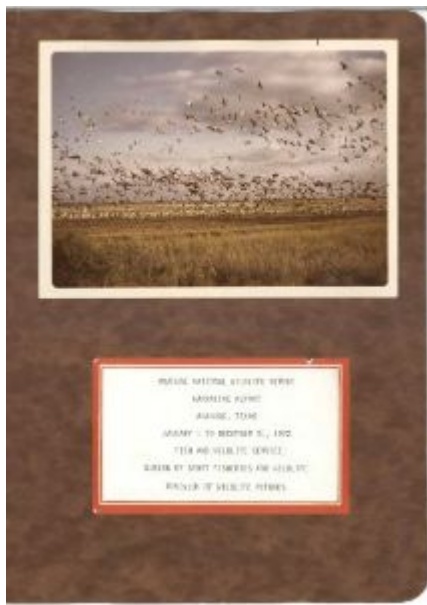

Despatches from U.S. Ministers

Help transcribe these original despatches and reports, with related enclosures, received by the Department of State from its diplomatic officers in Argentina.

US Fish and Wildlife Service Narrative Reports

Transcribe narrative reports summarizing the work and evaluating the programs undertaken on refugees and wildlife production areas.

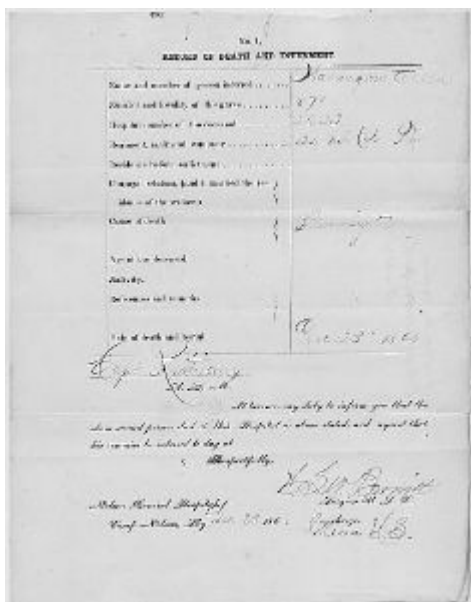

[Project Chariot Files, 1958 - 1963](#)

Project Chariot was a plan to use nuclear blasts to create a harbor at Cape Thompson, Alaska. Help us transcribe these large records.

[Records of Death and Interment at Camp Nelson, KY, 1864 - 1865](#)

Help transcribe these Civil War records of death and interment. Each provides the decedent's name, rank, unit, cause and date of death, and burial location.

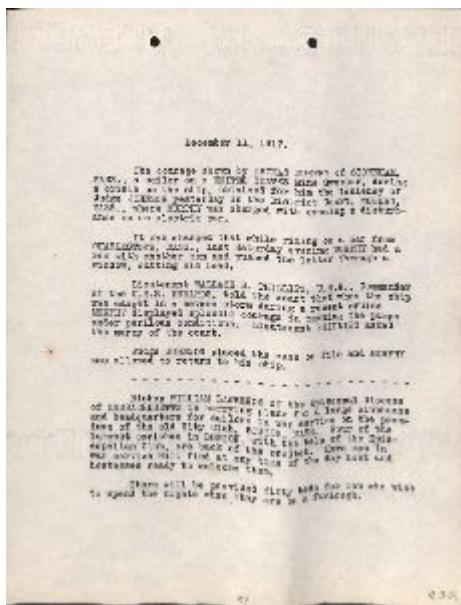

Food Administration Courses

Transcribe this card index of courses offered by the Missouri State Food Administration in 1918.

Place Bonne Terre, Mo County St. Francois
Food Administration Course in
Name of Instructor Miss Lida Fike
Date of Organization June, 20 Time of Meeting

Sent Teacher Outline 1 2 3 4 5 6 7 8 9 10
11 12
Number Students Enrolled 30
Material Sent For Students
Date of Examination No. Completing Course
Certificates sent
Remarks:

Confidential War Diaries, 6/1917 - 2/1918

Transcribe monthly compiled diaries that record significant daily events throughout the First Naval District; many of these take the form of daily news notes or commentaries. Subjects include assignment and transfer of personnel, vessel movements, facilities and equipment, health and morale, important visitors, schools and training, and special issuances or reports received.

Tennessee Valley Authority

Help us tag features and details of photographs of Tennessee Valley Authority activities and the impact on the surrounding land and communities from the 1930s to the 1970s.

New to transcribing? Learn how to [register and get started](#).

Check out our newly updated [featured records section](#)! Here you'll find individual records organized by skill level. You're sure to find something new and interesting.

Thank You!

A big thank you to our community of citizen archivists who continue to dedicate time helping unlock history through tagging and transcribing historical documents.

From the film ["America in Space - The First Decade, 1968."](#) Find more animated GIFs like this one on the [National Archives GIPHY page](#).

Together we are making the records of the National Archives more discoverable to people all over the world. Here are some of our current metrics. Thanks to you, 2018 was a productive year!

- **24,238:** Number of unique descriptions enhanced with transcriptions, tags or comments
- **133,487:** Number of individual pages enhanced by transcriptions, tags or comments
- **4,190:** Number of contributors
